Dear Mr. Edmonds and Ms. Richardson:

This letter serves as notification that on Monday, June 14, 2010 the Loudoun County Historic District Review Committee (HDRC) approved your Certificate of Appropriateness 2010-0014 as submitted in your application received May 14, 2010 and revised during the June 14, 2010 HDRC meeting with the following condition:

- 1.) The proposed hipped roof be replaced with the gable pediment as presented in a concept plan submitted at the June 14, 2010 HDRC meeting and dated the same day.

This condition is based on the HDRC's finding that a gable pediment portico follows the precedent of existing porticos in Waterford, where the majority of porticos have a gable roof and one portico has a hipped roof.

Please sign the enclosed Certificate and mail it back to me for the appropriate County signatures. Once signed, I will return the original to you for your files.

On behalf of the Committee, I would like to thank you for your efforts to preserve the historic character of the Waterford Historic and Cultural Conservation District.

Sincerely,

Kate A. McConnell
